

The Experience of Homelessness on the Annual Point in Time Count

On January 27, 2021, PEH conducted the 15th annual Point In Time Count. The Count is a federally mandated "census" of the total population experiencing homelessness in Guilford County.

Data as Reported to HUD in the Homeless Data Exchange (HDX) Website in 2016 and All Subsequent Years															
Experiencing Homelessness	2021	2020	2019	2018	2017	2016	2015	2014	2013	2012	2011	2010	2009	2008	2007 Baseline

*Information was not collected on the number of families experiencing chronic homelessness. (In 2011, HUD changed the definition of Chronic Homelessness to include families.)

** HUD altered the definition of Chronic Homelessness in January 2016, to increase the total time required for multiple episodes of homelessness to equal 12 months.
